SUBJECT: Meeting with COINS Project Manager - 2 Feb 73

1. On 29 January 1973, COINS		25X
Security Officer, contacted me telephonically conveying a request		
from OINS Project Manager, to arrange a		25X
meeting to discuss certain aspects of the proposed ungrading of		25X
COINS I agreed to meet with and we	OEV1	25X
got together at CIA Headquarters on 2 February.	25 <b>X</b> 1	23X
took part in the discussions.		
		25X
began the discussion by citing the conclusions		- 25¥
of as approved at its 26 January meeting.		2 <sup>25x</sup>
stated that, although on 26 January these conclusions were only in		
note form, he knew from later contact with that they had		25 <b>X</b> 1
been formulated on paper and were ready for the signature of the		
ASD(I) on 30 January. He is confident that the Malkin group report		
was forwarded to the DCI on schedule, i.e., on 1 February.

7. I expressed my personal view that his 1 May target date was unrealistic, noting that the earliest date that I personally could project was 1 October 1973.  25X  9. In response to question about introducing the NPIC files into COINS I counselled that I was not the proper person to whom such a question ought to be addressed.  10. In response to my question, stated that he had not actually seen the report either in final form or in draft.  11.
